Call for Presentations: Student-Led Workshops

The AIS Student Chapter Leadership Conference of 2018, hosted this year by The University of Texas at Dallas has 45-minute slots available for student-led workshops. Students will be given the opportunity to speak on a topic of their choice either individually or in a group. Submissions for request to review will be accepted through March 15, 2018. Please review the following guidelines before submitting your proposed request to review.

Presentation Topics
- Successful Chapter Leadership
- Important Soft Skills for Leaders
- Public Relations/Marketing for your Chapter
- Presentation/Speaking skills
- Effective Time Management
- Motivating Chapter Members
- Technical workshop (e.g. Tableau, SQL, Excel, Python)

Submission Guidelines

To Submit
- Title the subject line of the email as “Request for Review - Student Submission”
- In the body of the email, include group member names, emails, workshop topic, and university name, reasons your submission should be chosen
- Attached to the email should be an abstract of the workshop
- Send submissions to CONFERENCE@UTDALLASAIS.ORG
- Submission deadline: 03/15/2018

Quality over Quantity
- Presentation must last at least 35 minutes
- Please review your presentation before submission

Submission Confirmation
- After submission, a confirmation email will be sent to the presenter. Check your spam inbox if this email is not received within 7 days.

Suggested Presentation Information
- Presentation Title
- Group member names
- University name
- What problems/challenges were resolved?
- Solution?
- What results/benefits came of this?

Some Helpful Tips
- Include real world examples
- Show quantifiable business results (financial impact)
- Showcase innovation in your solutions
- Explain the value your presentation will bring to this year’s conference
- Be sure your abstract matches up to your presentation

Reasons to Present
- Showcase your work to other attendees interested in the same subject as yourself. This could lead to professional networking connections, future collaboration, or possibly even a job offer.
- Receive insightful commentary on your work and further discuss your ideas to improve your presentation for the future.
- Gain recognition from peers and high level company executives
- Practice your presentation skills to a technically advanced audience. Try explaining your concept through different lenses to see which is most well received.
- Use your presentation at an annual AIS conference as resume credentials.
